- Charging station use is currently available at \$0.30 per kWh per hour for the first three (3) hours, and \$3.50 per hour for any hour thereafter. Rates are subject to change without notice.
- Three (3) hour maximum charging time if and when charging stations are available.
- Vehicle owner must remove vehicle from charging station immediately once the three (3) hour maximum has elapsed.
- Charging station use is on a “first come, first served” basis.
- Charging stations should be used only to augment vehicle owner’s primary charging method.
- Use of charging stations shall be at driver’s own risk. The parking company, building owners, association members, and/or property management companies or any of their affiliates or subsidiaries shall not be responsible for any liability, damage, or claims whatsoever including, without limitation, personal injury or property damage related to such use.
- Use of the charging stations is at the user’s sole risk. No guarantees or warranties whatsoever related to the use of the charging stations are represented or implied including, without limitation, battery charging times, battery charging amounts, suitability of a vehicle or vehicle owner to use the charging stations or operation of the charging stations.
- Use of the charging stations and spaces is a privilege which may be revoked at any time.
- All rules related to the parking structure, posted or otherwise, shall also apply to the use of the charging stations.
- The information contained herein is not intended to be exhaustive and may be changed or amended without notice.
